

ALEFIYA SUBER ATTARWALA

Mob: 7249049448 | **Email:** alefiya.attarwala53@gmail.com | **Age:** 22

OBJECTIVE

To seek opportunities in the field of Forensic Science and research in it. Having specialized in this field I have developed a keen attention to details and learnt how to get an outcome with less data in a short amount of time while utilizing proper resources. Being part of an ever-growing field, I want to challenge myself and work in a fast environment, increasing my current knowledge and enhancing my creativity with many learning opportunities.

ACADEMIC PROFILE

Year	Degree	Institute	Board/University	Specialization	Percentage
2018-20	M.Sc. (Forensic Science)	Institute of Forensic Science, Government of Maharashtra, Mumbai.	Mumbai	Forensic Physics, Fingerprints and Questioned Document.	Result awaited
2015-18	B.Sc. (Forensic Science)	Institute of Forensic Science, Government of Maharashtra, Mumbai.	Mumbai	Forensic Science	CGPA: 6.88/7
2015	H.S.C	G.V. KhadeVidhyalay, Shahpur,Thane	Maharashtra State Board	Science	82.15%
2013	S.S.C	P.S. Deshmukh English Medium School,Shahpur,Thane	Maharashtra State Board	-	90.91%

INTERNSHIP:

- **Scientific Aid Unit, Central Forensic Science Laboratory (CBI), Navi Mumbai**
12th November 2018 to 20th November 2018
 - Pursued training in the Fingerprint Division of SAU, CFSL, CBI, Navi Mumbai as a trainee.
 - During the course of the internship I got the opportunity to work on real life cases involving Fingerprints analysis and classification.

PROJECTS

- **Master’s Project:** The Master’s project included practical work on the topic “Development of Fingerprints on different types of paper using Ninhydrin as reagent”. The work was carried out to find the relationship between types of paper and the quality of fingerprints developed using a specific reagent.
- **Master’s first year:** Submitted a project on the study of writer’s pad.

ACHIEVEMENTS & CERTIFICATES

- Participated in National Level Forensic Expo held in 2016 at Institute of Forensic Science, Mumbai and worked to provide information on Fingerprints, their types and development to students, lawyers, and policemen
- Participated in National Level Forensic Expo held on 16th December 2017 at Institute of Forensic Science, Mumbai and lead a team for displaying information on Secret writing and Indented writing.
- Participated in National Level Forensic Expo held in 2018 at Institute of Forensic Science, Mumbai and lead a team for displaying information working on Visual Spectral Comparator Instrument.

SKILLS

- Working knowledge of
 - Video Spectral Comparator (VSC 6000/HS)
 - Electro Static Detection apparatus (ESDA)
 - Multiple Microscopes
 - Crime scene investigation kit
- Outstanding interpersonal relationships.
- Effective communicator
- Efficient multi-tasker
- Attention to detail

EXTRA-CURRICULAR ACTIVITES

- Reading
- Fitness and nutrition

PERSONAL DETAILS

- Gender: Female
- Marital Status: Single
- Nationality: Indian
- Languages known: Marathi, Hindi, English and Gujrat
- Permanent Address: Plot 76, Alefiya Manzil, Gujrat Baug, Kalambhe, District: Thane

DECLARATION

I, hereby declare that all the details furnished above are correct and complete to the best of my knowledge and belief.
